**We are all in this together.** At Bluegrass Staking, we are working hard to do our part to protect our team, community and the public health and stop the spread of COVID-19. We have reduced our in-office staff to 3 people, we are no longer making daily trips to the post office, and we remain in close communication with all sponsors in order to provide you with the most up-to-date information. While we work diligently with our reduced staff to continue to provide the same quality service you have come to expect, we ask that you please do your part and help us out by taking the following steps:
