

BLUEGRASS STAKING

**HELLO! AND WELCOME TO THE 2021 STAKING SEASON!
WE ARE GLAD TO BE OF SERVICE.**

We send these binders every year – if you are a veteran client, you know the drill. If you're new, we'll catch you up to speed real quick! We work very hard putting your binder together and we don't want it to be another thing you set aside to collect dust and clutter your life – we want you to take advantage of it! So, in the next few pages, we have outlined how to use it AND what to do and expect each month of the staking season.

We have also simplified the information, so it's quick to read and easy to retain!

THE **FIRST** THING YOU SHOULD LOOK AT:

1. Your **HORSE INDEX** – located behind the "Payment Calendar" tab. It lists all horses to be staked, the ownership (with percentages), and also acts as a Table of Contents for the Payment Calendar.
 - Are all the horses you want to be staked listed?
 - Are the ownership percentages correct?
 - If there are any changes that need to be made, **PLEASE CONTACT OUR OFFICE IMMEDIATELY.**

THERE IS A **PURPOSE!** HOW TO USE YOUR BINDER:

1. Your **PAYMENT CALENDAR!**
 - Also located behind the "Payment Calendar" tab following your Horse List.
 - Each horse has its own Payment Calendar which lists the races they are eligible to with dates, statistics and payment information.
 - **THIS IS FOR YOUR RECORDS.** We **DO NOT** need them back. We ask that submitted staking instructions are made on the STAKE SELECTION LIST and that **ONLY** the **designated contact** OR **trainer** submit them.
 - You will notice different symbols and abbreviations on each race. There is a **KEY** on page 3 for your reference.
2. Your **INVOICES & STAKE SELECTION LISTS (SSLs)!**
 - Each month when you receive your Invoice and **PROOFED** Stake Selection List, review them, take care of any unsettled payments, and **FILE** them behind the Invoice Tab. There is a flow chart explaining the Stakes Selection Sheet and procedure on page 4.
3. Your **RACE SCHEDULE!**
 - In **MAY** (once all payments are completed), you will receive your final Race Schedule.
 - It lists all of the races your horse was made eligible to **in the 2021 staking season.**

HEADS UP!

We all have enough uncertainty in our lives right now, let's not add to it. Here are some ways to eliminate the unnecessary stress of staking your horses:

1. Stakes Selections are **due by the 7th of each month**.

- This is a fast turn-around, we know. But it's necessary. Staying in close communication with the trainer/designated contact of you horse(s) will help ensure we receive the instructions on time.
- Also, please **email, fax or submit your selections through your online portal** instead of mailing them due to the current unreliability of the mail.

2. Payment is **due by the 10th of each month**. Please use one of the speedier payment methods to ensure payment is received on time:

- Set up your account to be paid automatically via your checking account or credit card.
- E-mail, fax or phone in your check (only available for clients with US bank accounts).
Please note: all checks (regardless of how they are received) are processed the exact same way - electronically. The only difference is the uncertainty of when (or if) your payment will arrive when you send it through the mail.
- Consider placing money on account if you are so inclined to mail your payment.

For our CANADIAN clients:

Our Montreal office that you normally send checks to has been closed multiple times due to COVID-related government mandates. For this reason, we ask that you **DO NOT** send payment to them this season. For alternate payment options, please see page 5. Thank you in advance for your understanding!

For our OVERSEAS clients:

Please wire funds or use a credit card for payment.

PAYMENT CALENDAR KEY

"R" (new in '21 - found next to the payment amount) : means payment is REQUIRED for 2022 eligibility.

: ALL 2-year-old payments MUST be made to remain eligible at 2 and 3.

PURSE : "E" means estimated purse; "G" means purse is guaranteed; "A" indicates the monies the track will add to all other payments received. Estimated purses will be divided between the divisions in a race.

"Time/Div" : Time is last year's fastest division or heat. Divisions is the number of divisions raced last year. "H" indicates heat racing. "E" indicates the number of elimination divisions preceding a final heat on the same day.

"Start Fee" : The required payment to the track at time of declaration.

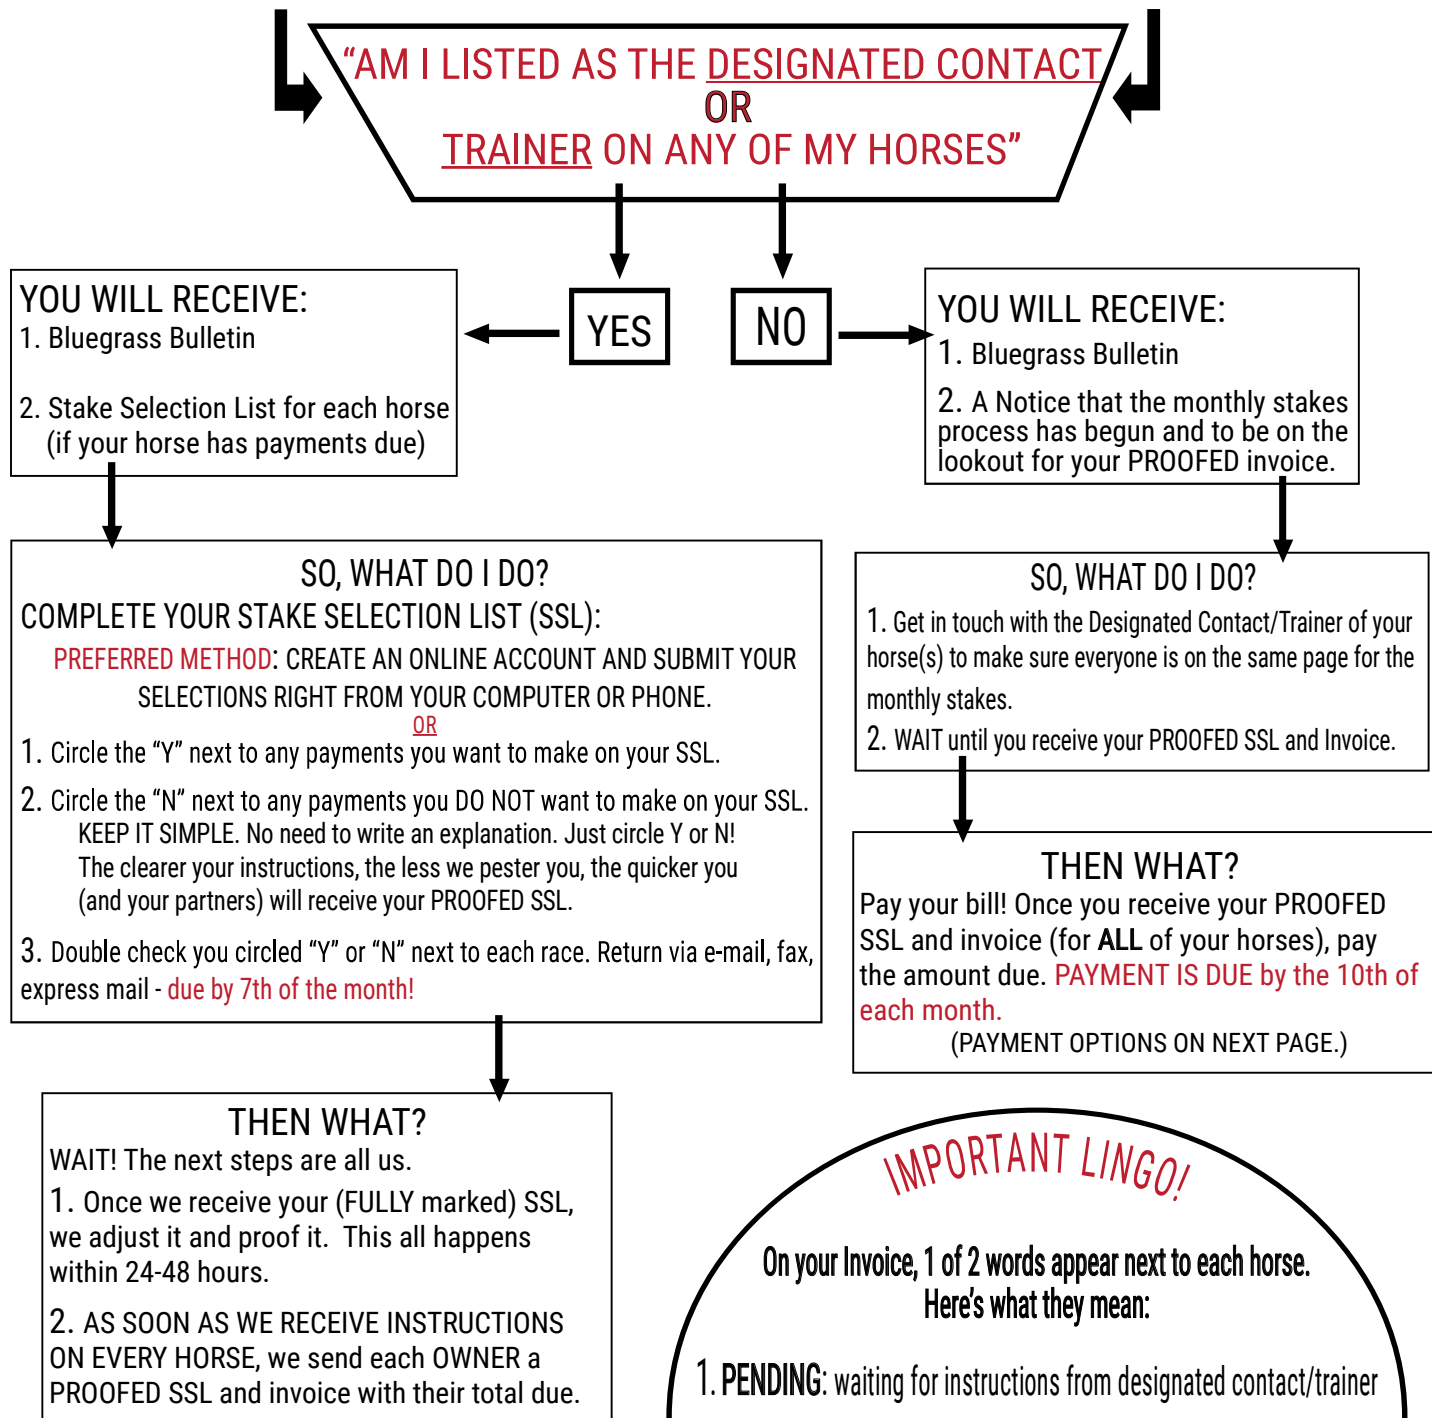

"D" : This means the starting fee will be less than the amount listed if there is more than one division.

"Sustaining payment due by month" : The payment required to sustain eligibility to the race.
THE FEE LISTED REPRESENTS THE TOTAL DUE ON EACH RACE AND NOT THE PRO-RATED AMOUNT BASED ON OWNERSHIP PERCENTAGE.

STAKE SELECTION LIST PROCESS

WHAT SHOULD I RECEIVE AT THE FIRST OF EACH MONTH?

IMPORTANT LINGO!

On your Invoice, 1 of 2 words appear next to each horse. Here's what they mean:

1. **PENDING:** waiting for instructions from designated contact/trainer
2. **PROOFED:** Instructions have been verified. **READY TO BE PAID!** YOU MAY WAIT UNTIL ALL YOUR HORSES HAVE A PROOFED STATUS BEFORE PAYING, AS LONG AS WE HAVE **PAYMENT BY THE 10TH.**

IMPORTANT LINGO!
